# SINGLE GANG WHILE-IN-USE COVERS

## WEATHERPROOF COVERS

**16-in-1!**

TORK While-In-Use covers are easy to install and cover any electrical outlet in seconds. The universal adapter enables you to use the same cover for multiple applications. They can be mounted horizontally or vertically and are available in single and two gang models (see next page). The Standard Single Gang and 3 1/2" Single Gang are available in clear, white and grey, all other models available in clear or grey. The covers' NEMA 3R rating ensures compliance with the 2005 National Electrical Code 406.8(B)(1). Made of impact resistant and UV stabilized non-conductive polycarbonate material.
